About Quantum

We serve to
enrich the
wellbeing of
Gippslanders

Respect
Integrity
Empowerment

Quantum believes the celebration of diversity makes us and the community stronger. We are committed to embracing everyone's individual differences so that we can help create a strong workplace and community that is empowered to reach its potential. We celebrate diversity of abilities, genders, sexuality, and spiritual or religious belief, and all cultural backgrounds including Aboriginal and Torres Strait Islander People. Quantum recognises that we all have diverse life experiences that may be influenced by age, ability, social and financial status. Quantum supports everyone's right to feel respected, safe, welcomed and valued.

Quantum Support Services (Quantum) is a not-for-profit support service, which means that all funds are used to support the community.

About Quantum Support Services

Quantum has been working within the Gippsland region since 1987. During this time, the organisation has built a strong reputation in achieving outcomes for individuals and families across Gippsland.

The range of services offered by Quantum focus on the integration of a holistic approach to wellbeing, which contributes to creating a safe and supported environment for clients of our service and the broader community.

Quantum provides State and Federal Government funded programs across a broad range of services for people within Gippsland. These services include Family Violence Crisis Response and therapeutic care, Care Services (Foster Care and Kinship Care), programs to support families, children and young people, including tenancy advocacy services and crisis accommodation.

Support and care is provided through the Orange Door across Inner and Outer Gippsland.

Quantum uses its standing in the Gippsland Community to promote awareness and address social issues impacting the sectors in which we operate.

Our service operates on the principal of inclusiveness and ensuring the highest quality of supports are provided to our clients.
